3. Objective

This policy aims to provide guidelines to senior management in the use of virements as a mechanism in their day-to-day management of their budgets. In addition, it specifically aims to empower senior managers with an efficient financial – and budgetary system to ensure optimum service delivery within the current legislative framework of the MFMA and the Municipality's system of delegations. It allows limited flexibility in the use of budgeted funds to enable management to act on

occasions such as disasters, unforeseen expenditure or savings, etc. as they arise to accelerate service delivery in a financially responsible manner.

4. Virement Clarification

Virement is the process of transferring budgeted funds from one line item number to another, with the approval of the Accounting officer, Director: IDP, Performance & Risk Management, the relevant Senior Manager and CFO, to enable budget managers to amend budgets in the light of experience or to reflect anticipated changes (Section 28(2)(c) MFMA).

5. Financial Responsibilities

Strict budgetary control must be maintained throughout the financial year in order for potential overspending and / or income underrecovery within individual vote departments are identified at the earliest possible opportunity (Section 100 of the MFMA). The Chief Financial Officer Accounting Officer has a statutory duty to ensure that adequate policies and procedures are in place to ensure an effective system of financial control. The budget virement process is one of these controls (Section 27(4) of the MFMA). It is the responsibility of each manager or head of a department or activity Senior Manager and official, exercising financial management responsibilities within their respective areas of responsibility, to which funds are allocated, to plan and conduct assigned operations to ensure that expenditure incurred does not exceed the allocated budget amount so as not to expend more funds than budgeted. In addition, they have the responsibility to identify and report any unauthorised, irregular or fruitless and wasteful expenditure in terms of the MFMA sections 78 and 102.

6. MFMA Regulation on Budget versus Expenditure

- **6.1** The MFMA regulates as follows regarding the incurring of expenditure against budgetary provisions.
 - **6.1.1** Section 15 Appropriation of funds for expenditure
 - "A Municipality may, except where otherwise provided in this Act, incur expenditure only-
 - a) In terms of an approved budget; and

b) Within the limits of the amounts appropriated for the different votes in an approved budget."

6.1.2 Unauthorized Expenditure (MFMA Definition)

"In relation to a municipality, means any expenditure incurred by a municipality otherwise than in accordance with section 15 or 11(3), and includes-

- a) Overspending of the total amount appropriated in the municipality's approved budget;
- **b)** Overspending of the total amount appropriated for a vote in the approved budget;
- **c)** Expenditure from a vote unrelated to the department or functional area covered by the vote;
- **d)** Expenditure of money appropriated for a specific purpose, otherwise than for that specific purpose;
- e) Spending of an allocation referred to in paragraph (b), (c) or (d) of the definition of "allocation" otherwise than in accordance with any conditions of the allocation; or
- f) A grant by the municipality otherwise than in accordance with this Act:"

6.1.3 Overspending (MFMA Definition)

- a) In relation to the budget of a municipality, means causing the operational or capital expenditure incurred by the municipality during a financial year to exceed the total amount appropriated in that year's budget for its operational or capital expenditure, as the case may be;
- b) In relation to a vote, means causing expenditure under the vote to exceed the amount appropriated for that vote; or
- c) In relation to expenditure under section 26, means causing expenditure under that section to exceed the limits allowed in subsection (5) of that section;"
- 6.1.4 Section 71(1)(g)(iii) states inter alia "(1) The accounting officer of a municipality must by no later than 10 working days after the end of each month submit to the mayor of the municipality and the relevant provincial treasury a statement in the prescribed format on the state of the municipality's budget reflecting the following particulars for

that month and for the financial year up to the end of that month:...(g) when necessary, an explanation of....(iii) any remedial or corrective steps taken or to be taken to ensure that projected revenue and expenditure remain within the municipality's approved budget...."

7. Virement Restrictions

- **7.1** No funds may be viremented between votes (strategic objectives) without approval of Council during an Adjustments Budget process.
- 7.2 No funds may be viremented between functional areas votes (strategic objectives) as per Annexure A, except for the expenditure pertaining to provisions for employee benefits and depreciation which can only be done by the CFO Accounting Officer. Virements may not exceed a maximum of 5% of the total approved operating expenditure budget, except with the approval of Council.
- 7.3 In terms of Section 17 of the MFMA a municipality's budget is divided into an operating and capital budget and consequently no virements are permitted between Operating and Capital Budgets.
