Sir,

FINANCIAL ALLOCATION TOWARDS WITZENBERG MUNICIPALITY FOR THE 2022/2023 FINANCIAL YEAR

1. This communiqué serves as a notification to enable Witzenberg Municipality to include allocations from the Cape Winelands District Municipality in their budget and to plan effectively for the spending of such allocations.
2. The Cape Winelands District Municipality intends to provide capacity and support for the local municipalities within its area of jurisdiction. Provision has been made in the 2022/2023 Medium Term Revenue Expenditure Framework for an allocation towards **Witzenberg Municipality of R500 000.00 (five hundred thousand rand)** as part of its 2022/2023 budget.
3. In view of the above-mentioned, it will be highly appreciated that Witzenberg Municipality provides the Cape Winelands District Municipality with the final business plan for which the allocation will be used. Business plans must be submitted in order to proceed with the transfer, upon which a concomitant Service Level Agreement (SLA) will be concluded, followed by the relevant allocation in the 2022/2023 financial year.

Yours faithfully

1. WATER AND SANITATION SUBSIDIES

MEMORANDUM TO : MUNICIPAL MANAGER

**MEMORANDUM FROM : MRS KD ESAU
ENVIRONMENTAL HEALTH PRACTITIONER-
WATER & SANITATION PROJECT MANAGER**

REFERENCE NUMBER : 17/1/2/2

DATE : 9 DECEMBER 2021

WATER AND SANITATION SUBSIDIES

The attached list, as per Municipal areas, contained applications for subsidies received for the subsidisation of toilets, bathroom and provision of running water in worker's homes on farms. The availability of the subsidy the Cape Winelands District Municipality offer to landowners are presented during routine inspections by the Environmental Health Practitioner on farms, where there is a need to improve the living conditions of the relevant workers houses.

Applications are evaluated by the Environmental Health Practitioner within the standard of sanitation and water supply to homes and placed on the priority list taking the need for improvements into account.

The value of the applications received exceeded the available funds as budgeted, and therefore only a portion of the applications for 2022- 2023 can be recommended. If the subsidy granted to an applicant cannot be used by the farm in question, whether due to financial or other operational circumstances, that amount need to be transferred to the subsequent applicant / applicants on the priority list. This procedure is desirable to ensure that the available subsidy funds are used efficiently.

**KD ESAU

PROJECT MANAGER

Sir,

FINANCIAL ALLOCATION TOWARDS DRAKENSTEIN MUNICIPALITY FOR THE 2022/2023 FINANCIAL YEAR

1. This communiqué serves as a notification to enable Drakenstein Municipality to include allocations from the Cape Winelands District Municipality in their budget and to plan effectively for the spending of such allocations.
2. The Cape Winelands District Municipality intends to provide capacity and support for the local municipalities within its area of jurisdiction. Additional provision has been made in the 2022/2023 Medium Term Revenue Expenditure Framework for an allocation towards **Drakenstein Municipality of R150 000.00 (hundred and fifty thousand rand)** as part of its 2022/2023 budget.
3. In view of the above-mentioned, it will be highly appreciated that Drakenstein Municipality provides the Cape Winelands District Municipality with the final business plan for which the allocation will be used. Business plans must be submitted in order to proceed with the transfer, upon which a concomitant Service Level Agreement (SLA) will be concluded, followed by the relevant allocation in the 2022/2023 financial year.

Yours faithfully
