PURPOSE OF SUBMISSION

That Council consider to adopt the draft 2022/2023, 2023/2024 and 2024/2025 Medium Term Revenue and Expenditure Framework (MTREF) for the Cape Winelands District Municipality.

BACKGROUND

In terms of section 16 of the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) a council of a municipality must for each financial year approve an annual budget for the municipality before the start of the financial year.

In order for a municipality to comply with section 16(1) of the said Act, the mayor must table the annual budget at a council meeting at least 90 days before the start of the budget year.

Section 15 of the MFMA prescribes that a municipality may incur expenditure only:

- 15 (a) *In terms of an approved budget; and*
- (b) *Within the limits of the amounts appropriated for the different votes in an approved budget.*

The contents of the annual budget must consist of the following documents as prescribed in terms of section 17 of the MFMA:

1. Realistically anticipated income and expenditure per vote for the budget year and the two financial years following the budget year;
2. Budget related policies of the Council (Tariff, Rates & Credit Control Policies);
3. Details of Council's investments for the budget year;
4. Details of all proposed service delivery agreements, including material amendments to existing service delivery agreements;
5. Particulars of any proposed allocations or grants by the municipality in terms of sections 67 and 17(3)(j) of the MFMA;

6. The proposed cost to the municipality for the budget year of the salary, allowances and benefits of political office bearers and senior managers;
7. Capital expenditure and projects envisioned within the budget year.

COMMENT

Attached as Annexures “A” to “R” are copies of the draft 2022/2023, 2023/2024 and 2024/2025 Medium Term Revenue and Expenditure Framework (MTREF) for the Cape Winelands District Municipality as well as related documents as prescribed by the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA).

The IDP/Budget process for the 2022/2023 financial year was a consultative process – including the Budget Steering Committee, Executive Directors, Senior Managers, Councillors and other stakeholders.

The MTREF (2022 – 2025) has been compiled in accordance with the budget growth guidelines determined by National Treasury. Personnel expenditure (Salaries, Wages and Allowances) increased by 4.5% for 2022/2023, 2023/2024 and 2024/2025. The Budget Steering Committee, established in terms of the Budget and Reporting Regulations, 2008, comprehensively scrutinised the proposed MTREF.

Due to strict budgetary control, management succeeded to compile a balanced budget.

DECLARATION BY MANAGEMENT

Management declare that they followed all guidelines prescribed by the relevant legislation during the budget process.
