A. MUNICIPAL HEALTH

1. WATER AND SANITATION SUBSIDIES 2023 / 2024

MEMORANDUM TO : MUNICIPAL MANAGER

**MEMORANDUM FROM :MRS KD ESAU
ENVIRONMENTAL HEALTH PRACTITIONER-
WATER & SANITATION PROJECT MANAGER**

REFERENCE NUMBER : 17/1/2/2

DATE : 16 JANUARY 20223

WATER AND SANITATION SUBSIDIES

The attached list, as per Municipal areas, contained applications for subsidies received for the subsidisation of toilets, bathroom and provision of running water in worker's homes on farms. The availability of the subsidy the Cape Winelands District Municipality offer to landowners are presented during routine inspections by the Environmental Health Practitioner on farms, where there is a need to improve the living conditions of the relevant workers houses.

Applications are evaluated by the Environmental Health Practitioner within the standard of sanitation and water supply to homes and placed on the priority list taking the need for improvements into account.

The value of the applications received exceeded the available funds as budgeted, and therefore only a portion of the applications for 2022- 2023 can be recommended. If the subsidy granted to an applicant cannot be used by the farm in question, whether due to financial or other operational circumstances, that amount need to be transferred to the subsequent applicant / applicants on the priority list. This procedure is desirable to ensure that the available subsidy funds are used efficiently.

**KD ESAU
ENVIRONMENTAL HEALTH PRACTITIONER
PROJECT MANAGER**

for MR P. WILLIAMS EXECUTIVE DIRECTOR: COMMUNITY DEVELOPMENTAL AND PLANNING SERVICES
