## **1. INTRODUCTION**

In terms of the Municipal Finance Management Act, No. 56 of 2003, Chapter 4 on Municipal Budgets, subsection (16), states that the council of a municipality must for each financial year approve an annual budget for the municipality before the commencement of that financial year. According to subsection (2) of the Act concerned, in order to comply with subsection (1), the executive mayor of the municipality must table the annual budget at a council meeting at least 90 days before the start of the budget year. This policy must be read, analysed, explained, interpreted, implemented and understood against this legislative background. The budget plays a critical role in an attempt to realise diverse community needs. Central to this, the formulation of a municipality budget must take into account the government's macro-economic and fiscal policy fundamentals. In brief, the conceptualisation and the operationalisation of the budget must be located within the national government's policy framework.

## **2. OBJECTIVE**

The objective of the budget policy is to set out:

- The principles which the municipality will follow in preparing each medium term revenue and expenditure framework budget,
- The responsibilities of the executive mayor, the accounting officer, the chief financial officer and other senior managers in compiling the budget
- To establish and maintain procedures to ensure adherence to the Cape Winelands District Municipality's IDP review and budget processes.

## **3. BUDGETING PRINCIPLES**

- The municipality shall not budget for a cash deficit and should also ensure that revenue projections in the budget are realistic taking into account actual collection levels.
- Expenses may only be incurred in terms of the approved annual budget (or adjustments budget) and within the limits of the amounts appropriated for each vote in the approved budget.
- The municipality shall prepare a three-year budget (medium term revenue and expenditure framework (MTREF)) that would be reviewed annually and approved by Council.
- The MTREF budget must at all times be within the framework of the Municipal Integrated Development Plan.

## **4. BUDGET PREPARATION PROCESS**

### **4.1. Formulation of the budget**

- (a) The Accounting Officer with the assistance of the Chief Financial Officer, Deputy Director: Budget and Management Information, BTO Manager and the Manager IDP shall draft the IDP process plan as well as the budget timetable for the municipality for the ensuing financial year.

- (b) In terms of section 21(1)(b) of the MFMA, the executive mayor shall table the IDP process plan as well as the budget timetable to Council not later than 31 August of each year for approval (10 months before the start of the next budget year).
- (c) IDP process plan as well as the budget timetable shall indicate the key deadlines for the review of the IDP as well as the preparation of the medium term revenue and expenditure framework budget and the revision of the annual budget. Such target dates shall follow the prescriptions of the Municipal Finance Management Act, Municipal Budget and reporting regulations as well as the guidelines set by National Treasury.
- (d) The Executive Mayor shall convene a strategic workshop in September/October with the mayoral committee and senior managers in order to determine the IDP priorities which will form the basis for the preparation of the MTREF budget taking into account the financial and political pressures facing the municipality. The executive mayor shall table the IDP priorities with the draft budget to Council.
- (e) The Executive Mayor shall table the draft IDP and MTREF budget to council before or on 31 March of each year (90 days before the start of the new budget year) together with the draft resolutions and budget-related policies.
- (f) The Chief Financial Officer and Budget Steering Committee undertake the technical preparation of the budget.
- (g) The budget must be in the prescribed format by National Treasury, and must be divided into capital and operating budget.
- (h) The budget must reflect the realistically expected revenues by major source for the budget year concerned.
- (i) The expenses reflected in the budget must be divided into items.
- (j) The budget must contain the information related to the two financial years following the financial year to which the budget relates, as well as the estimated revenues and expenses for the current year and the two prior year actual revenue and expenditures.

#### **4.2 Publication and submission for consideration**

- (1) After the draft budget is approved by Council, it is released for public comment and for National and Provincial Treasuries as required by section 22 of the Act.
- (2) When making public the annual budget and supporting documentation in terms of section 22(a) of the Act, read with section 21A of the Municipal Systems Act, the municipal manager must also make public any other information that the municipal council considers appropriate to facilitate the budget consultation process, including –
  - (a) summaries of the annual budget and supporting documentation in alternate languages predominant in the community; and
  - (b) information relevant to each ward in the municipality.
- (3) All information contemplated in (1) above must cover:
  - (a) the relevant financial and service delivery implications of the annual budget; and
  - (b) at least the previous year's actual outcome, the current year's forecast outcome, the budget year, and the following two years.

- (4) When submitting the annual budget to the National Treasury and the relevant provincial treasury in terms of section 22(b)(i) of the Act, the municipal manager must also submit to the National Treasury and the relevant provincial treasury, in both printed and electronic form –
  - (a) the supporting documentation as tabled in the municipal council;
  - (b) the draft service delivery and budget implementation plan; and
  - (c) any other information as may be required by the National Treasury.
- (5) The municipal manager must send copies of the annual budget and supporting documentation as tabled in the municipal council, in both printed and electronic form to –
  - (a) any other municipality affected by the annual budget within ten working days of the annual budget being tabled in the municipal council; and
  - (b) any other organ of state on receipt of a request from that organ of state.

### **4.3 CONSULTATIONS ON TABLED BUDGETS**

- (1) The mayor must for purposes of section 23 of the Act table the following documents in the municipal council –
  - (a) a report summarising the local community's views on the annual budget;
  - (b) any comments on the annual budget received from the National Treasury and the relevant provincial treasury;
  - (c) any comments on the annual budget received from any other organ of state, including any affected municipality; and
  - (d) any comments on the annual budget received from any other stakeholders.
- (2) The municipal manager must assist the mayor in the preparation of the documents referred to in subparagraph (1) and section 23(2) of the Act.
- (3) Once the comments from the public, and the National and Provincial Treasuries have been submitted, noted and considered, the necessary amendments are made to the draft budget and the budget is then tabled for Council to consider approval of the budget at least 30 days before the start of the budget year (31 May).

### **4.4. Approval of the budget**

- (a) Council shall consider the next medium term expenditure framework budget for approval not later than 31 May (30 days before the start of the budget year).
- (b) The council resolution, must contain budget-related policies and performance measures to be adopted.
- (c) Should the municipality fail to approve the budget before the start of the budget year, the executive mayor must inform the MEC for Finance that the budget has not been approved.
- (d) The budget tabled to Council for approval shall include the following supporting documents:
  - i. draft resolutions approving the budget;
  - ii. and levying property rates, other taxes and tariffs for the financial year concerned;

- iii. measurable performance objectives for each budget vote, taking into account the municipality's IDP;
- iv. the projected cash flows for the financial year by revenue sources and expenditure votes;
- v. any proposed amendments to the IDP;
- vi. any proposed amendments to the budget-related policies;
  - vii. the cost to the municipality of the salaries, allowances and other benefits of its political office bearers and other councillors, the accounting officer, the chief financial officer, and other senior managers;
- viii. particulars of any proposed allocations or grants to other municipalities, municipal entities, external mechanisms assisting the municipality in service delivery, other organs of state, and organisations such as Non-Governmental Organisations, welfare institutions and so on; and
- ix. particulars of the municipality's investments.

#### **4.5. Publication of the budget**

- (a) Within 14 days after the draft annual budget has been tabled, the Director must post the budget and other budget-related documentation onto the municipal website so that it is accessible to the public.
- (b) The Chief Financial Officer must within 14 days after the draft annual budget is tabled:
  - (i) submit the approved budget in both printed and electronic formats to the National Treasury, the Provincial Treasury as well as post it on the municipal website.
  - (ii) ensure that a newspaper advertisement is placed that the draft budget is available at the Municipal offices and available for comments.

#### **4.6. Service Delivery and Budget Implementation Plan (SDBIP)**

- (a) The Executive mayor must approve the Service Delivery and Budget Implementation Plan not later than 28 days after the approval of the Budget by Council.
- (b) The SDBIP shall include the following components:
  - (i) Monthly projections of revenue to be collected for each source
  - (ii) Monthly projections of expenditure (operating and capital) and revenue for each vote
  - (iii) Quarterly projections of service delivery targets and performance indicators for each vote
  - (iv) Ward information for expenditure and service delivery
  - (v) Detailed capital works plan broken down by ward over three years

## 5. CAPITAL BUDGET

- (a) Expenditure of a project shall be included in the capital budget if it meets the asset definition i.e. only if it is probable that future economic benefits or service potential associated with the item will flow to the entity, and the cost or fair value of the item can be measured reliably (GRAP 17).
- (b) The capital budget shall distinguish between replacement and new assets.
- (c) A municipality may spend money on a capital project only if the money for the project has been appropriated in the capital budget.
- (d) The envisaged sources of funding for the capital budget must be properly considered and the Council must be satisfied that this funding is available and has not been committed for other purposes.
- (e) Before approving a capital project, the Council must consider:
- (i) the projected cost of the project over all the ensuing financial years until the project becomes operational,
  - (ii) future operational costs and any revenues, which may arise in respect of such project, including the likely future impact on operating budget.
- (f) Before approving the capital budget, the council shall consider:
- (i) the impact on the present and future operating budgets of the municipality in relation to finance charges to be incurred on external loans if any,
  - (ii) depreciation of fixed assets,
  - (iii) maintenance of fixed assets, and
  - (iv) any other ordinary operational expenses associated with any item on such capital budget.
- (g) Council shall approve the annual or adjustment capital budget only if it has been properly cash funded.
- (h) The capital expenditure shall be funded from the following sources:
- (i) **Revenue or Surplus**
    - If any project is to be financed from revenue this financing must be included in the cash budget to raise sufficient cash for the expenditure.
    - If the project is to be financed from surplus there must be sufficient cash available at time of execution of the project.
  - (ii) **External loans**
    - External loans can be raised only if it is linked to the financing of an asset;
    - A capital project to be financed from an external loan can only be included in the budget if the loan has been secured or if can be reasonably assumed as being secured;
    - The loan redemption period should not exceed the estimated life span of the asset. If this happens the interest payable on the excess redemption period shall be declared as fruitless expenditure;
- Interest payable on external loans shall be included as a cost in the operating budget;
  - Finance charges relating to such loans shall be charged to or apportioned only between the departments or votes to which the projects relate.

**(iii) Capital Replacement Reserve (CRR)**

- Council shall establish a CRR for the purpose of financing capital projects and the acquisition of assets. Such reserve shall be established from the following sources of revenue:
  - o inappropriate cash-backed surpluses to the extent that such surpluses are not required for operational purposes;
  - o additional amounts appropriated as contributions in each annual or adjustments budget.
- Before any asset can be financed from the CRR the financing must be available within the reserve and available as cash as this fund must be cash-backed;
- If there is insufficient cash available to fund the CRR this reserve fund must then be adjusted to equal the available cash;
- Transfers to the CRR must be budgeted for in the cash budget

**(iv) Grant Funding**

- Non capital expenditure funded from grants
  - o must be budgeted for as part of the revenue budget;
  - o Expenditure must be reimbursed from the funding creditor and transferred to the operating and must be budgeted for as such.
  - o Capital expenditure must be budgeted for in the capital budget;
- Grant funding does not need to be cash backed but cash should be secured before spending can take place.
- All unutilized grants received must be ring fenced and cash backed by means of an investment (no interest is allocated to unspent funds unless provided for in the service level agreement).

**Budget Policy**

**6. OPERATING BUDGET**

- (a) The municipality shall budget in each annual and adjustments budget for the contribution to:
- (i) provision for accrued leave entitlements equal to 100% of the accrued leave;
  - (ii) entitlement of officials as at 30 June of each financial year,
  - (iii) provision for the impairment of debtors taking into account prior year, current year improvements and future improvement in debt collection percentages.
  - (iv) provision for the obsolescence and deterioration of stock in accordance with its stores management policy
  - (v) Depreciation and finance charges shall be charged to or apportioned only between the departments or votes to which the projects relate.

- (vi) At least 12% of the operating budget component, excluding the budget for the roads function performed on behalf of the Western Cape Provincial Legislature, of each annual and adjustments budget shall be set aside for maintenance.
- (b) The operating budget shall reflect the impact of the capital component on:
  - depreciation charges
  - repairs and maintenance expenses
  - other operating expenses.

## **7. FUNDING OF CAPITAL AND OPERATING BUDGET**

- (a) The budget may be financed only from:
  - (i) realistically expected revenues, based on current and previous collection levels;
  - (ii) cash-backed funds available from previous surpluses where such funds are not required for other purposes.

## **8. UNSPENT FUNDS / ROLL OVER OF BUDGET**

- (a) The appropriation of funds in an annual or adjustments budget will lapse to the extent that they are unspent by the end of the relevant budget year, but except for funds relating to capital expenditure.
- (b) If the under-spending of funds could not reasonably have been foreseen at the time to include projected roll-overs when the annual budget for the current year was approved by the council, funds may be rolled over.
- (c) Conditions of the grant fund shall be taken into account in applying for such roll over of funds
- (d) Application for roll over of funds shall be forwarded to the budget office by the 15th of April each year to be included in next year's budget for adoption by Council in May.
- (e) No funding for projects funded from the Capital Replacement Reserve shall be rolled over to the next budget year except in cases where a commitment has been made at least 30 days (31 May each year) prior the end of that particular financial year.
- (f) No unspent operating budget shall be rolled over to the next budget year except if the conditions of (b) apply.

## **9. BUDGET TRANSFERS AND VIREMENTS**

Budget transfers and Virement are dealt with in terms of the councils Budget Virement Policy.

## **10. ADJUSTMENT BUDGET**

Each adjustments budget shall reflect realistic excess, however nominal, of current revenues over expenses.

- (a) The chief financial officer shall ensure that the adjustments budgets comply with the requirements of the National Treasury reflect the budget priorities determined by the executive mayor, are aligned with the IDP, and comply with all budget-related policies, and

shall make recommendations to the executive mayor on the revision of the IDP and the budget-related policies where these are indicated.

- (b) Council may revise its annual budget by means of an adjustments budget in terms of section 28 of the MFMA and according to the timelines of the Municipal Budget and reporting regulations section 23.
- (c) The Accounting Officer must promptly adjust its budgeted revenues and expenses if a material under-collection of revenues arises or is apparent.
- (d) The Accounting Officer shall appropriate additional revenues, which have become available but only to revise or accelerate spending programmes already budgeted for or any areas of critical importance identified by Council.
- (e) The Council shall in such adjustments budget, and within the prescribed framework, confirm unforeseen and unavoidable expenses on the recommendation of the Executive Mayor.
- (f) An adjustments budget must contain all of the following:
  - (i) an explanation of how the adjustments affect the approved annual budget;
  - (ii) appropriate motivations for material adjustments; and
  - (iii) an explanation of the impact of any increased spending on the current and future annual budgets.
- (g) Any unappropriated surplus from previous financial years, even if fully cash-backed, shall not be used to balance any adjustments budget, but shall be appropriated to the municipality's capital replacement reserve.
- (h) Municipal taxes and tariffs may not be increased during a financial year except if required in terms of a financial recovery plan.
- (i) Unauthorised expenses may be authorised in an adjustments budget.
- (j) With regard to unforeseen and unavoidable expenditure, the following apply ( 28(2)(c) & 29 of the MFMA):
  - (i) the Executive mayor may authorise such expenses in an emergency or other exceptional circumstances in terms of Section 29 of the MFMA;
  - (ii) the authorized amount may not exceed 4 % of the approved own revenue included in the annual budget in respect of such unforeseen and unavoidable expenses (29(2)(b) of the MFMA);
  - (iii) these expenses must be reported by the Executive mayor to the next Council meeting;
  - (iv) the expenses must be appropriated in an adjustments budget; and
  - (v) Council must pass the adjustments budget within sixty days after the expenses were incurred.

## **11. BUDGET IMPLEMENTATION**

### **11.1 Monitoring**

- (a) The accounting officer with the assistance of the chief financial officer and other senior managers is responsible for the implementation of the budget, and must take reasonable steps to ensure that:
- funds are spent in accordance with the budget;
  - expenses are reduced if expected revenues are less than projected; and
  - revenues and expenses are properly monitored.
- (b) The Accounting officer with the assistance of the chief financial officer must prepare any adjustments budget when such budget is necessary and submit it to the Executive mayor for consideration and tabling to Council.
- (c) The Accounting officer must report in writing to the Council any impending shortfalls in the annual revenue budget, as well as any impending overspending, together with the steps taken to prevent or rectify these problems.

### **11.2 Reporting**

#### **11.2.1 Monthly budget statements (Section 71 of the MFMA)**

- (a) The accounting officer with the assistance of the chief financial officer must, not later than ten working days after the end of each calendar month, submit to the Executive mayor and Provincial and National Treasury a report in the prescribed format on the state of the municipality's budget for such calendar month, as well as on the state of the budget cumulatively for the financial year to date.

#### **This report must reflect the following:**
