In order for a municipality to comply with Section 16(1) of the said Act, the mayor must table the annual budget at a council meeting at least 90 days before the start of the budget year.

Section 15 of the MFMA prescribes that a municipality may incur expenditure only:

- 15(a) *In terms of an approved budget; and*
- (b) *Within the limits of the amounts appropriated for the different votes in an approved budget.*

The contents of the annual budget must consist of the following documents as prescribed in terms of Section 17 of the MFMA:

1. Realistically anticipated income and expenditure per vote for the budget year and the two financial years following the budget year;
2. Budget-related policies of the Council (Tariffs, Rates & Credit Control Policies);
3. Details of Council's investments for the budget year;
4. Details of all proposed service delivery agreements, including material amendments to existing service delivery agreements;
5. Particulars of any proposed allocations or grants by the municipality in terms of Sections 67 and 17(3)(j) of the MFMA;

COMMENT

Attached as Annexures "A" to "S" is a copy of the draft 2020/2021, 2021/2022 and 2022/2023 Medium-Term Revenue and Expenditure Framework (MTREF) for the Cape Winelands District Municipality as well as related documents as prescribed by the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA).

The IDP/Budget process for the 2020/2021 financial year was a consultative process – including the Budget Steering Committee, Executive Directors, Senior Managers, Councillors and other stakeholders.

The MTREF (2020 – 2023) has been compiled in accordance with the budget growth guidelines determined by National Treasury. Personnel expenditure (Salaries, Wages and Allowances) increased by 6,25% for 2020/2021 and 7% for 2021/2022 and 2022/2023.

The Budget Steering Committee, established in terms of the Budget and Reporting Regulations, 2008, comprehensively scrutinised the proposed MTREF.

Due to strict budgetary control, management succeeded in compiling a balanced budget.

DECLARATION BY MANAGEMENT

Management declares that they followed all guidelines prescribed by the relevant legislation during the budget process.

ADDITIONAL COMMENTS

Roads Expenditure

The draft 2020/2021 Operating Budget for the Roads Department was compiled with the amounts as stipulated in the Memorandum of Agreement dated 26 April 2019. On 25 March 2020, the Western Cape Government: Transport and Public Works issued a new Memorandum of Agreement in which they substantially decreased the funds allocated to the Cape Winelands District Municipality's Roads Department.

The table below indicates the decrease over the MTREF:

Western Cape Government: Transport and Public Works			
	2020/2021	2021/2022	2022/2023
Original Total Allocation	122 120 000	130 520 000	137 046 000
Adjusted Total Allocation	108 505 000	117 080 000	123 130 000
Difference	13 615 000	13 440 000	13 916 000

As a result of the above changes the management fee, which is regarded as an income for Council, also decreased by R2 305 015 plus VAT of R1 546 329 on the total management fee.

COVID-19 Expenditure

On 30 March 2020, the Minister of Cooperative Governance and Traditional Affairs, in terms of Section 27(2) of the Disaster Management Act, 2002 (Act No. 57 of 2002) ("the DMA"), issued directives to address, prevent and combat the spread of COVID-19 in South Africa (see Annexure to MFMA Circular No. 99 attached as Annexure "N.3").

Since the tabling of the Draft MTREF on 26 March 2020, management has reviewed the budget priorities and aligned expenditure to adhere to the requirements of the Annexure to MFMA Circular No. 99. All the relevant annexures were updated with the necessary changes to provide for the COVID-19 expenditure in the 2020/2021 financial year.
