**Reasons for the variances on the Financial Performance (revenue and expenditure):**

**Revenue by source:**

**Agency Services**

The Department of Transport and Public Works transfers funds every second month, in arrears, in terms of the memorandum of agreement. The Municipality have experienced a delay in submitting invoices to the Department of Transport and Public Works due to unexpected circumstances.

**Expenditure by type:**

**Other materials, Contracted services and Transfer and subsidies**

The variance is due to the performance of different projects. The detail on the progress of each project can be located on page 30.

**Loss on disposal of PPE**

The variance is due to assets being disposed earlier than anticipated during the budget process.
