1. WATER AND SANITATION SUBSIDIES 2024 / 2025

MEMORANDUM TO : **THE MUNICIPAL MANAGER**
MR H PRINS

MEMORANDUM FROM : **SENIOR ENVIRONMENTAL HEALTH PRACTITIONER**
MRS KD ESAU

REFERENCE NUMBER : **7/1/2/2**

DATE : **17 JANUARY 2024**

WATER AND SANITATION SUBSIDY APPLICATIONS FOR THE 2024/2025 FINANCIAL YEAR

The attached list, as per Municipal areas, contained applications for subsidies received for the subsidisation of toilets, bathroom, and provision of running water in worker's homes on farms. The availability of the subsidy the Cape Winelands District Municipality offer to landowners are presented during routine inspections by the Environmental Health Practitioner on farms, where there is a need to improve the living conditions of the relevant workers houses.

Applications are evaluated by the Environmental Health Practitioner within the standard of sanitation and water supply to homes and placed on the priority list taking the need for improvements into account.

The value of the applications received exceeded the available funds as budgeted, and therefore only a portion of the applications for 2024-2025 can be recommended. If the subsidy granted to an applicant cannot be used by the farm in question, whether due to financial or other operational circumstances, that amount need to be transferred to the subsequent applicant / applicants on the priority list. This procedure is desirable to ensure that the available subsidy funds are used efficiently.

KD ESAU
SENIOR ENVIRONMENTAL HEALTH PRACTITIONER
PROJECT MANAGER
