

Ald (Dr) Elna von Schlicht
Executive Mayor

always leads in creativity and aspires to even greater heights in portraying a pocket of excellence within local government.

The vision of the CWDM is "A unified Cape Winelands of Excellence for Sustainable Development". With this in mind, I have a personal vision for the municipality that includes economic revival, job creation, rebuilding our tourism sector, re-imagining our infrastructure, and forging partnerships with other stakeholders to take local government forward.

To realise and achieve these goals, I have a capable management team who supports this vision, namely Ald Margie Sampson (Deputy Executive Mayor, Cllr Donovan Joubert (Speaker), Cllr Thys Blom (Chief Whip), Cllr Koos Steyn (Economic Development), Cllr Dirk Swart (Sport, Arts, and Culture), Ald Claire Meyer (Disaster Management), Cllr Xoliswa Mdemka (Municipal Health), Cllr R Farao (Fire Services), Cllr Minnie Petersen (Rural and Social Development), Cllr Esther Groenewald (Corporate Services) and Cllr Gideon Carinus (Infrastructure Services).

I am proud to work with a management team of serving leaders and wish them all the best in their portfolios and their respective communities.

It has been an exciting time since Council was reconstituted on 2 December 2021 and I gladly share a few highlights of the first three months in office:

- an energetic strategic planning session where the management team unpacked all challenges

- and brainstormed potential solutions
- an award ceremony where all Grade 12 top achievers in the Cape Winelands were acknowledged and honoured for their prestigious achievements
- the adjustments budget was approved, which will enable the municipality to continue delivering good services
- commenced with the development of a regional landfill site for the Witzenberg, Breede Valley and Langeberg municipalities
- training of Councillors
- drafting a new safety plan for the Cape Winelands
- successful firefighting, which included a record number of very serious veld and mountain fires – thank you to all partners involved during a very busy fire season
- official opening of the Haaskraal Road in Drakenstein
- public participation meetings through various interactive IDP sessions during which the needs of the citizens received attention
- started the preparation of the 2022/2023 budget
- a mayoral break-away where mayors were guided on how to improve service delivery
- other operational matters that will collectively contribute to the sustainability of good service delivery by the CWDM.

Furthermore, it has been two years since the first lockdown, and I am delighted to see the entertainment industry finally opening again. I've had the pleasure of attending the Toyota US Woordfees Long Table event in Stellenbosch, and it has been an absolute joy to be around friends

and familiar faces and to see the resilience of our arts and culture partners after two years of the pandemic. The CWDM received an award from SALGA for good financial management under the leadership of a female mayor. I am honoured to be one of seven female leaders in South Africa to receive this award. This prestigious moment for the CWDM would not have been possible if we did not have a capable team of officials under the leadership of our Chief Financial Officer. As the Executive Mayor of the Cape Winelands District Municipality, I will continue to foster healthy working partnerships with our local municipalities within the district as well as provincial government.

Over the last month, the CWDM took note of traffic congestion issues and is aware of the importance of traffic and economic flow. With this, I want to assure all Cape Winelands citizens that we are committed to resolving any concerns within the scope of our mandate. The mayoral office will remain committed and will continue escalating complaints received to the relevant party.

In conclusion, I wish to salute all officials for giving true meaning to the vision of the CWDM and want to encourage all to continue building a true pocket of excellence.

Best wishes
Mayor Elna von Schlicht

During the last few months, we have welcomed and met with our new Mayoral Committee (Mayco) and Council. There are many new faces, please do visit our website (www.capewinlands.gov.za) to view the portfolio members and the various party representations. Executive Management also tabled the Annual Report of 2020/2021 which will be available on our website.

We hosted two successful public participation events where it was apparent from the needs expressed by participants, that the effect of the pandemic on our economy has been devastating. The CWDM remains committed to our objectives, including growing and thriving entrepreneurship and innovation. Perhaps you have heard our radio adverts inviting visitors to the Cape Winelands? These adverts form part of a large campaign aimed at boosting tourism to the district, so that we can start to recover jobs lost due to the pandemic.

Remember that YOU are a local tourist. Whenever you visit a restaurant or venue situated in your area, you are forming part of the economic revival, so visit in our own district, find that perfect wedding or celebration venue, hike and bike our own trails. There really is something for everyone, (and every pocket) here in the Cape Winelands.

The economic situation, especially the increase in the petrol price and its impact on our ability to deliver a cost-effective service is a cause for great concern for us. The implications on services such as fire services, was evident during the last months, during which we were forced to allocate extra funding to ensure that our services can continue with their mandate, which is to protect lives and livelihoods. Our Municipal Health Services continue to ensure that suitable safety standards are maintained at all places where consumable goods are produced, manufactured, and sold. Our environmental health

officers drive many kilometers, to make sure that our foodstuffs are safe and that standards are maintained.

I applaud the residents of this district, the agricultural sector who are a huge sector in our lives and our partner organisations who all work tirelessly to improve investment and job opportunities so that we may all thrive.

I wish to express my pride in and thanks to all our dedicated employees for their continued efforts to rise above adverse situations and seek sustainable and viable solutions to issues that affect us all.

Ald (Dr) Elna von Schlicht
Uitvoerende Burgemeester

hierdie munisipaliteit altyd die leiding in kreatiwiteit neem en na selfs groter hoogtes streef in die uitbeelding van 'n kern van uitnemendheid in plaaslike regering.

Die leuse van die KWDM is "n Verenigde Kaapse Wynland van Voortreflikheid vir Volhoubare Ontwikkeling". Met dié doel voor oë het ek 'n persoonlike visie vir die munisipaliteit wat onder meer ekonomiese herlewering, werkskepping, die herbou van ons toerismesektor, die herowering van ons infrastruktuur en die bou van vennootskappe met ander belanghebbendes insluit om plaaslike regering vorentoe te neem.

Beste inwoners

As die Uitvoerende Burgemeester is ek daartoe verbind om voortdurend die Kaapse Wynland Distriksmunisipaliteit (KWDM) te dien en hierdie verantwoordelikhede saam met die baie doeltreffende en bekwaame administratiewe span onder leiding van die Munisipale Bestuurder, mnr Henry Prins, te aanvaar. Die gemeenskap van die Kaapse Wynland kan trots wees op hierdie munisipaliteit. Ons dien die distrik so doeltreffend en doelgerig as moontlik volgens van ons wetgewende mandaat en verantwoordelikhede.

Ek is so trots op die feit dat die KWDM sy 8ste agtereenvolgende skoon oudit ontvang het, dat ons die Covid-19-pandemie suksesvol bestuur, dat ons oor wêreldklas-brandbestrydingsdienste en uitmuntende omgewingsgesondheidsdienste beskik, en dat ons verbind is tot die instandhouding van landelike paaie. Die distrik speel verder 'n beduidende rol in die bydrae tot en ondersteuning van toerisme, sport, kuns, kultuur, werkskepping, veiligheid en humanitêre verligting. Vir my is dit uiters belangrik dat

Om hierdie doelwitte te verwesenlik en te bereik, het ek 'n bekwaame bestuursplan wat hierdie visie ondersteun, naamlik Rhd Margie Sampson (Uitvoerende Onderburgemeester, Rdl Donovan Joubert (Speaker), Rdl Thys Blom (Hoofswaap), Rdl Koos Steyn (Ekonomiese Ontwikkeling), Rdl Dirk Swart (Sport, Kuns en Kultuur), Rdl Claire Meyer (Rampbestuur), Rdl Xoliswa Mdemka (Munisipale Gesondheid), Rdl R Farao (Brandweerdienste), Rdl Minnie Petersen (Landelike en Maatskaplike Ontwikkeling), Rdl Esther Groenewald (Korporatiewe Dienste) en Rdl Gideon Carinus (Infrastruktuurdienste).

Ek is trots om saam met 'n bestuursplan van dienende leiers te werk en wens hulle alle sterkte toe in hul portefeuljies en hul onderskeie gemeenskappe.

Dit was 'n opwindende tyd sedert die Raad op 2 Desember 2021 hersaamgestel is en ek deel graag 'n paar hoogtepunte van die eerste drie maande in die amp:
- 'n energieke strategiese beplanningssessie waar die

bestuursplan alle uitdagings uitgepak en moontlike oplossings bedink het - 'n toekenningsseremonie waar alle Graad 12-toppresteerders in die Kaapse Wynland erkenning ontvang het en vir hul uitstekende prestasies vereer is - die aansuiweringsbegroting is goedgekeur en sal die munisipaliteit in staat stel om voort te gaan om goeie dienste te lewer - die aanvang van die ontwikkeling van 'n streekstortingsterrein vir die munisipaliteite van Witzenberg, Bredevallei en Langeberg - opleiding van Raadslede - die opstel van 'n nuwe veiligheidsplan vir die Kaapse Wynland - suksesvolle brandbestryding wat 'n rekordgetal baie ernstige veld- en bergbrande ingesluit het - dankie aan alle vennote wat tydens 'n baie besige brandseisoen betrokke was - amptelike opening van die Haaskraalpad in Drakenstein - openbaredeelnamewergaderings deur middel van verskeie interaktiewe GOP-sessies waartydens die behoeftes van die burgers aandag geniet het - begin met die voorbereiding van die 2022/2023-begroting - 'n wegbreksessie vir burgemeesters waar leiding gegee is oor hoe om dienslewering te verbeter - ander bedryfsaangeleenthede wat gesamentlik sal bydra tot die volhoubaarheid van goeie dienslewering deur die KWDM.

Daarbenewens is dit twee jaar sedert die eerste inperking, en ek is verheug om te sien dat die vermaaklikheidsbedryf uiteindelik weer hul deure oopmaak. Ek het die voorreg gehad om die Toyota US Woordfees Langtafelgeleentheid in Stellenbosch by te woon, en dit was 'n absolute plesier om weer vriende en bekende gesigte te sien

en na twee jaar van die pandemie die veerkragtigheid van ons kuns- en kultuurvennote te beleef.

Die KWDM het 'n toekennings van SALGA ontvang vir goeie finansiële bestuur onder leiding van 'n vroulike burgemeester. Ek voel geëerd om een van sewe vroulike leiers in Suid-Afrika te wees wat hierdie toekennings ontvang het. Dié gesogte toekennings vir die KWDM sou nie moontlik gewees het as ons nie 'n bekwaame span amptenare onder leiding van ons Hoof Finansiële Beampte gehad het nie. As die Uitvoerende Burgemeester van die Kaapse Wynland Distriksmunisipaliteit sal ek voortgaan om gesonde werksverhoudings met ons plaaslike munisipaliteite in die distrik asook met die provinsiale regering te bevorder.

Die KWDM het oor die afgelope maand kennis geneem van probleme met verkeersopeenhoping en is terdeë bewus van hoe belangrik verkeers- en ekonomiese vloei is. Hiermee wil ek alle inwoners van die Kaapse Wynland verseker dat ons daartoe verbind is om enige besorgdhede binne die omvang van ons mandaat op te los. Die burgemeesterskantoor sal toegewyd bly en voortgaan om klagtes wat ontvang word, na die betrokke party te eskaleer.

Ten slotte wil ek hulde betoon aan alle amptenare wat uitvoering gee aan die leuse van die KWDM en wil ek almal aanmoedig om voort te bou aan 'n ware kern van voortreflikheid.

Beste wense
Burgemeester Elna von Schlicht

Ons het die afgelope paar maande ons nuwe Burgemeesterskomitee en Raad verwelkom en met hulle vergader. Daar is baie nuwe gesigte - besoek gerus ons webwerf (www.capewinlands.gov.za) om die portefeuljehouers en verskillende partyvertegenwoordigers te leer ken. Uitvoerende Bestuur het ook die Jaarverslag van 2020/2021 voorgelê en dit sal ook op ons webwerf beskikbaar wees.

Beste inwoners

Herfs is sekerlik by verre die beste tyd om in die Kaapse Wynland te woon en dit te besoek. Die vreeslike hitte van die somer is verby en die nagte is koel en soel. Hier by die Kaapse Wynland Distriksmunisipaliteit (KWDM) is herfs natuurlik die voorloper van die begin van die einde van die brandseisoen, die begin van die laaste kwartaal van ons finansiële jaar en 'n tydperk waarin ons die Dienslewering- en Begrotingsimplementeringsplan (DLBIP) vir die komende finansiële tydperk afhandel.

Ons het twee suksesvolle openbaredeelnamewergaderings gehou en dit was duidelik uit die behoeftes wat deur deelnemers uitgespreek is dat die gevolge van die pandemie op ons ekonomie ramspoedig was. Die KWDM bly verbind tot ons doelwitte, onder meer om entrepreneurskap en innovasie te laat groei en floreer. Julle het dalk ons radio-advertensies gehoor wat besoekers na die Kaapse Wynland uitnooi? Hierdie advertensies vorm deel van 'n groot veldtog wat daarop gerig is om toerisme in die distrik te bevorder sodat ons weer die

werksgeleenthede kan skep wat weens die pandemie verlore gegaan het.

Onthou dat u 'n plaaslike toerist is. Wanneer u ook al 'n restaurant of lokaal in u gebied besoek, maak u deel van die ekonomiese herlewering uit. Wees dus 'n toerist in ons eie distrik, vind daardie perfekte lokaal vir 'n troue of viering, stap en ry fiets op ons roetes. Daar is regtig iets vir elkeen (en elke beursie) hier in die Kaapse Wynland.

Die ekonomiese situasie, veral die styging in die petrolprys en die impak daarvan op ons vermoë om 'n kostedoeltreffende diens te lewer, is vir ons 'n groot bron van kommer. Die uitwerking op dienste soos die brandweer was die laaste paar maande duidelik, toe ons genoodsaak is om ekstra befondsing te bewillig om seker te maak dat ons dienste met hulle mandaat kan voortgaan, naamlik om lewens en lewensbestaan te beskerm. Ons Munisipale Gesondheidsdienste gaan voort om seker te maak dat gepaste veiligheidsstandaarde gehandhaaf word by alle plekke

waar verbruikbare goedere vervaardig, geproduseer en verkoop word. Ons omgewingsgesondheidswerkers lê baie kilometers af om te sorg dat ons voedselsoorte veilig is en dat standaarde gehandhaaf word.

Ek bring hulde aan die inwoners van hierdie distrik, die landbousektor (wat 'n enorme rol in ons lewe speel) en ons vennootorganisasies wat almal onvermoeid werk om investering en werksgeleenthede te verbeter sodat ons almal kan floreer.

Ek wil graag sê hoe trots en dankbaar ek is vir ons toegewyde personeel wat voortdurend poog om bo die negatiewe gebeure uit te styg en volhoubare en lewensvatbare oplossings te vind vir kwessies wat ons almal raak.
