### **1. Acceptance or Rejection of a Tender**

The Municipality reserves the right to withdraw any invitation to tender and/or to re-advertise or to reject any tender or to accept any tender in whole or part.

The Municipality does not bind itself to accepting the lowest quotation or the tender scoring the highest points.

The Municipality reserves the right to accept more than one quotation (in the event of a number of items being offered).

### **2. Validity Period**

The fact and action of handing in a tender to the Municipality is accepted as a contract between the Municipality and the bidder whereby such a tender remains valid and available for a period of 180 days, calculated from the closing date as advertised for the written price quotation, for acceptance, or non-acceptance by the Municipality. The bidder undertakes not to withdraw, or alter, the quotation during this period.

### **3. Registration on Accredited Supplier Database**

It is expected of all prospective service providers who are not yet registered on the Municipality's Accredited Supplier Database to register without delay on the prescribed form.

It will be expected from Suppliers to update registration details every 12 months from date of registration. Payment will not be effected if supplier information is outdated.

The Municipality reserves the right not to award bids to prospective suppliers who are not registered on the Database.

### **4. Completion of Bidding Documents**

The official formal written price quotation document must be completed in BLACK ink and any corrections to the official formal written price quotation document must also be made in BLACK ink and signed by the bidder.

Any formal written price quotation document received with correction fluid (Tippex) corrections shall be disqualified.

The complete original formal written price quotation document must be returned. Missing pages will result in the disqualification of the tender.

Any ambiguity has to be cleared with contact person for the tender before the tender closure.

#### **5. Authorised Signatory**

A copy of the recorded Resolution taken by the Board of Directors, members, partners or trustees authorising the representative to submit this bid on the bidder's behalf must be attached to the Bid Document on submission of same.

A bid shall be eligible for consideration only if it bears the signature of the bidder or of some person duly and lawfully authorised to sign it for and on behalf of the bidder.

If such a copy of the Resolution does not accompany the bid document of the successful bidder, the Municipality reserves the right to obtain such document after the closing date to verify that the signatory is in order. If no such document can be obtained within a period as specified by the Municipality, the bid will be disqualified.

#### **6. Site / Information Meetings**

Site or information meetings, if specified, may be compulsory/non-compulsory. Bids will not be accepted from bidders who have not attended compulsory site or information meetings. The Municipality shall not be liable for any expenses incurred in the preparation and submission of the tender.

#### **9. Contact with Municipality after Bid Closure Date**

Bidders shall not contact the Municipality on any matter relating to their bid from the time of the opening of the bid to the time the contract is awarded. If a bidder wishes to bring additional information to the notice of the Municipality, it should do so in writing to the Municipality. Any effort by the firm to influence the Municipality in the bid evaluation, bid comparison or contract award decisions may result in the rejection of the bid.

**10. Opening, Recording and Publications of Formal Written Price Quotations Received**

Formal Written Price Quotations will be opened on the closing date immediately after the closing time specified in the tender documents. The names of the bidders, and if practical, the total amount of each bid and of any alternative bids will be read out aloud.

The formal written price quotation documents should be carefully completed, and no errors will be condoned after tenders have been opened.

**15. Persons in the service of the state**

Any person, having a kinship with persons in the service of the state, including a blood relationship, may make an offer in terms of this invitation to bid. **16. Specific Goals in terms of section 2 (1) (d) (i) and (ii) of the Preferential Procurement Policy Framework Act**

**16.1 Broad-based black economic empowerment (B-BBEE) status level certificates**

Bidders are required to submit original and valid B-BBEE Status Level Verification Certificates or certified copies of the original, not a photo-copy of another certified copy thereof together with their bids, to substantiate their B-BBEE rating claims.

Bidders who do not submit B-BBEE Status Level Verification Certificates or who are non-compliant contributors to B-BBEE do not qualify for preference points for B-BBEE but should not be disqualified from the bidding process. They will score points out of 90 or 80 for price only and zero (0) points for B-BBEE.

A trust, consortium or joint venture must submit a consolidated B-BBEE Status Level Verification Certificate for every separate bid.

Public entities and tertiary institutions must also submit B-BBEE Status Level Verification Certificates together with their bids.

If an institution is already in possession of a valid and original or certified copy of a bidder's B-BBEE Status Level Verification Certificate that was obtained for the purpose of establishing the database of possible suppliers for price quotations or that was submitted together with another bid, it is not necessary to obtain a new B-BBEE Status Level Verification Certificate each time a bid is submitted from the specific bidder.

Such a certificate may be used to substantiate B-BBEE rating claims provided that the closing date of the bid falls within the expiry date of the certificate that is in the institution's possession.

Each time this provision is applied, cross-reference must be made to the B-BBEE Status Level Verification Certificate already in possession for audit purposes.

AOs / AAs must ensure that the B-BBEE Status Level Verification Certificates submitted are issued by the following agencies:

**Bidders other than EMEs**

- Verification agencies accredited by SANAS; or
- Registered auditors approved by IRBA (until the expiration of the period prescribed by the DTI)

**Bidders who qualify as EMEs**

- Sworn affidavit signed by the EME representative and attested by a Commissioner of oaths.

The content of B-BBEE Status Level Verification Certificates issued by accounting officers as contemplated in the CCA is detailed in paragraph 4.8.5 below.

#### **VERIFICATION OF B-BBEE LEVELS IN RESPECT OF EMEs**

In terms of the Generic Codes of Good Practice, an enterprise including a sole propriety with annual total revenue of R10 million or less qualifies as an EME.

In instances where Sector Charters are developed to address the transformation challenges of specific sectors or industries, the threshold for qualification as an EME may be different from the generic threshold of R10 million. The relevant Sector Charter thresholds will therefore be used as a basis for a potential bidder to qualify as an EME.

- For example, the approved thresholds for EMEs for the Tourism and Construction Sector Charters are R2.5 million and R1.5 million respectively.
- An EME automatically qualifies as a level 4 contributor with B-BBEE recognition level of 100% in terms of the Codes of Good Practice.
- An EME with at least 51% black ownership qualifies as Level 2 Contributor with B-BBEE level of 125% in terms of the Codes of Good Practice.
- An EME with 100% black ownership qualifies as a Level 1 contributor with B-BBEE level of 135% in terms of the Codes of Good Practice.
- An EME that is regarded as a specialized enterprise with at least 75% black beneficiaries qualifies as Level 1 contributor with B-BBEE level of 135% in terms of Codes of Good Practice.
- An EME that is regarded as a specialized enterprise with at least 51% black beneficiaries qualifies as a Level 2 contributor with B-BBEE level of 125% in terms of the Codes of Good Practice.
- An EME is required to submit a sworn affidavit confirming their annual total revenue of R 10 million or less and level of black ownership to claim points
- An EME that is regarded as a Specialized Enterprise, is required to submit a sworn affidavit confirming their annual turnover/ allocated budget/ gross receipt of R 10 million or less and level of percentage of black beneficiaries to claim points
- An EME may be measured in terms of the QSE scorecard should they wish to maximize their points and move to a higher B-BBEE recognition level. It is in this context that an EME may submit a B-BBEE verification certificate.

#### **ELIGIBILITY AS QUALIFYING SMALL ENTERPRISES (QSE)**

The Codes define a QSE as any enterprise with annual total revenue of between R10 million and R50 million.

- A QSE with at least 51% black ownership qualifies as a Level 2 contributor.
- A QSE with 100% black ownership qualifies as a Level 1 Contributor.
- A QSE that is regarded as a specialized enterprise with at least 75% black beneficiaries qualifies as a Level 1 contributor with B-BBEE level of 135% in terms of the Codes of Good Practice.
- A QSE that is regarded as a specialized enterprise with at least 51% black beneficiaries qualifies as a Level 2 contributor with B-BBEE level of 125% in terms of the Codes of Good Practice.
- A QSE is required to submit a sworn affidavit confirming their annual total revenue of between R10 million and R 50 million and level of black ownership or a B-BBEE level verification certificate to claim points
- A QSE that is regarded as a specialized enterprise is required to submit a sworn affidavit confirming their annual turnover/ budget/ gross receipt of R 50 million or less and level of percentage of black beneficiaries or a B-BBEE level verification certificate to claim points

<b>Total points for Price and SPECIFIC GOALS</b>	<b>100</b>

1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

**O. CERTIFICATE OF INDEPENDENT BID DETERMINATION (MBD 9)**

1. This Municipal Bidding Document (MBD) must form part of all bids<sup>1</sup> invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
  - a. take all reasonable steps to prevent such abuse;
  - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
  - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

<sup>1</sup> Includes price quotations, advertised competitive bids, limited bids and proposals.

<sup>2</sup> Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
