BACKGROUND

An adjustments budget, contemplated in section 28(2)(b) of the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA), may appropriate additional revenues that have become available over and above those anticipated in the annual budget, but only to revise or accelerate spending programmes already budgeted for within a prescribed framework.

In addition, regulation 23(3) of the Municipal Budget and Reporting Regulations, 2008 (published in Government Gazette No. 32141 on 17 April 2009), determined the timeframes for the tabling of the said special adjustments budget as follows:

"If a national or provincial adjustments budget allocates or transfer additional revenues to a municipality, the mayor of the municipality must, at the next available council meeting, but within 60 days of the approval of the relevant national or provincial adjustments budget, table an adjustments budget referred to in section 28(2)(b) of the Act in the municipal council to appropriate these additional revenues."

The Provincial Treasury allocated an amount of R401 000 to the Cape Winelands District Municipality to address Financial Capacity Building challenges and was reflected as such on our 2020/2021 Medium Term Revenue and Expenditure Framework. During the 2020/2021 Western Cape Second Adjustment Budget the amount of R401 000 was decreased with R101 000 to R300 000, refer to the allocation letter attached as Annexure "E".
