Inviting of tenders by the Cape Winelands District Municipality (CWDM), all relevant bid documentation, submitting of tenders by prospective bidders, evaluation/awarding of tenders and all subsequent contractual responsibilities regarding supply and delivery of goods and/or services, will be managed in terms of and MUST comply with –

- Chapter 11 of the Municipal Finance Management Act, 2003 (Act No. 56 of 2003);
- Municipal Supply Chain Management Policy of the CWDM;
- Supply Chain Management: A guide for Accounting Officers (AO) of Municipalities (Guide for Accounting Officers);
- Any relevant Regulations/Circulars issued by the National Treasury, from time to time; and
- Any Special Conditions detailed in this Contract (SCC) – referring to, but not limited to paragraphs **B.1. - 17.** and **C to P.**

Where the General Conditions of Contract (GCC) and SCC are in conflict with one another, the stipulations of the SCC will prevail (Chapter 4.5.2.9 – Guide for Accounting Officers).

1. Acceptance or Rejection of a Tender

The Municipality reserves the right to withdraw any invitation to tender and/or to re-advertise or to reject any tender or to accept any tender in whole or part.

The Municipality does not bind itself to accepting the lowest tender or the tender scoring the highest points.

The Municipality reserves the right to accept more than one tender (in the event of a number of items being offered).

2. Validity Period

The fact and action of handing in a tender to the Municipality is accepted as a contract between the Municipality and the bidder whereby such a tender remains valid and available for a period of 180 days, calculated from the closing date as advertised for the tender, for acceptance, or non-acceptance by the Municipality. The bidder undertakes not to withdraw, or alter, the tender during this period.

3. Registration on Accredited Supplier Database

It is expected of all prospective service providers who are not yet registered on the Municipality's Accredited Supplier Database to register without delay on the prescribed form.

It will be expected from Suppliers to update registration details every twelve (12) months from date of registration. Payment will not be effected if supplier information is outdated.

The Municipality reserves the right not to award tenders to prospective suppliers who are not registered on the Database.

4. Completion of Tender Documents

The official tender form must be completed in BLACK ink and any corrections to the official tender form must also be made in BLACK ink and signed by the bidder.

Any tender documents received with correction fluid (Tippex) corrections shall be disqualified.

The complete original tender document must be returned. Missing pages will result in the disqualification of the tender.

Any ambiguity has to be cleared with contact person for the tender before the tender closure.

5. Authorised Signatory

A copy of the recorded Resolution taken by the Board of Directors, members, partners or trustees authorising the representative to submit this bid on the bidder's behalf must be attached to the Bid Document on submission of same.

A bid shall be eligible for consideration only if it bears the signature of the bidder or of some person duly and lawfully authorised to sign it for and on behalf of the bidder.

If such a copy of the Resolution does not accompany the bid document of the successful bidder, the Municipality reserves the right to obtain such document after the closing date to verify that the signatory is in order. If no such document can be obtained within a period as specified by the Municipality, the bid will be disqualified.

6. Site/Information Meetings

Site or information meetings, if specified, are compulsory. Bids will not be accepted from bidders who have not attended compulsory site or information meetings. Bidders that arrive fifteen (15) minutes or more after the advertised time the meeting starts, will not be allowed to attend the meeting or to sign the attendance register. If a bidder is delayed, he must inform the contact person before the meeting commences and will only be allowed to attend the meeting if the chairperson of the meeting, as well as all the other bidders attending the meeting, give permission to do so.

All partners or the leading partner of a Joint Venture must attend the compulsory site or information meeting.

7. Quantities of Specific Items

If tenders are called for a specific number of items, the Municipality reserves the right to change the number of such items to be higher or lower. The successful bidder will then be given an opportunity to evaluate the new scenario and inform the Municipality if it is acceptable. If the successful bidder does not accept the new scenario, it will be offered to the second-placed bidder.

8. Expenses Incurred in Preparation of Tender

The Municipality shall not be liable for any expenses incurred in the preparation and submission of the tender.

9. Contact with Municipality after Tender Closure Date

Bidders shall not contact the Municipality on any matter relating to their bid from the time of the opening of the bid to the time the contract is awarded. If a bidder wishes to bring additional information to the notice of the Municipality, it should do so in writing to the Municipality. Any effort by the firm to influence the Municipality in the bid evaluation, bid comparison or contract award decisions may result in the rejection of the bid.

10. Opening, Recording and Publications of Tenders Received

Tenders will be opened on the closing date immediately after the closing time specified in the tender documents. The names of the bidders, and if practical, the total amount of each bid and of any alternative bids will be read out aloud.

Telexed, faxed or e-mailed tenders will not be accepted.

The tender forms should be carefully completed and no errors will be condoned after tenders have been opened.

The Bidder will be liable to take out **forward cover** to barricade him/her against fluctuation of the exchange rate in the event of importing any component, related to the quotation, from a country dealing in currency other than that of South Africa.

11. Evaluation of Tenders

Tenders will be evaluated in terms of their responsiveness to the tender specifications and requirements, as well as such additional criteria as set out in this set of tender documents.

12. Subcontracting

The Contractor shall not subcontract the whole of the contract.

Except where otherwise provided by the Contract, the Contractor shall not subcontract any part of the Contract without the prior written consent of the Municipality, which consent shall not be unreasonably withheld.

Any consent granted or appointment of a subcontractor shall not imply a contract between the Municipality and the subcontractor, or a responsibility or liability on the part of the Municipality to the subcontractor and shall not relieve the Contractor from any liability or obligation under the Contract and he shall be liable for the acts, defaults and neglects of any subcontractor, his agents or employees as fully as if they were the acts, defaults or neglects of the Contractor, his agents or employees.

13. Extension of Contract

The contract with the successful bidder may be extended should additional funds become available.

14. Past Practices

The bid of any bidder may be rejected if that bidder or any of its directors have abused the Municipality's Supply Chain Management system or committed any improper conduct in relation to such system.

The bid of any bidder may be rejected if it is or has been found that that bidder or any of its directors influenced or tried to influence any official or councillor with this or any past tender.

The bid of any bidder may be rejected if it is or has been found that that bidder or any of its directors offered, promised or granted any official or any of his/her close family members, partners or associates any reward, gift, favours, hospitality or any other benefit in any improper way, with this or any past tender.

15. Persons in the Service of the State

Any person, having a kinship with persons in the service of the state, including a blood relationship, may make an offer in terms of this invitation to bid. In view of possible allegations of favouritism, should the resulting bid, or part thereof, be awarded to persons connected with or related to persons in service of the state, it is required that the bidder or their authorised representative declare their position in relation to the evaluating/adjudicating authority and/or take an oath declaring his/her interest.

16. Broad-Based Black Economic Empowerment (B-BBEE) Status Level Verification Certificates

Bidders are required to submit original and valid B-BBEE Status Level Verification Certificates or certified copies of the original, not a photocopy of another certified copy thereof together with their bids, to substantiate their B-BBEE rating claims.

Bidders who do not submit B-BBEE Status Level Verification Certificates or who are non-compliant contributors to B-BBEE do not qualify for preference points for B-BBEE but should not be disqualified from the bidding process. They will score points out of 90 or 80 for price only and zero (0) points out of 10 or 20 for B-BBEE.

A trust, consortium or joint venture must submit a consolidated B-BBEE Status Level Verification Certificate for every separate bid.

Public entities and tertiary institutions must also submit B-BBEE Status Level Verification Certificates together with their bids.

If an institution is already in possession of a valid and original or certified copy of a bidder's B-BBEE Status Level Verification Certificate that was obtained for the purpose of establishing the database of possible suppliers for price quotations or that was submitted together with another bid, it is not necessary to obtain a new B-BBEE Status Level Verification Certificate each time a bid is submitted from the specific bidder.

Such a certificate may be used to substantiate B-BBEE rating claims provided that the closing date of the bid falls within the expiry date of the certificate that is in the institution's possession.

Each time this provision is applied, cross-reference must be made to the B-BBEE Status Level Verification Certificate already in possession for audit purposes.

Accounting Officers/Accounting Authorities must ensure that the B-BBEE Status Level Verification Certificates submitted are issued by the following agencies:

NAME OF BIDDER

O. CERTIFICATE OF INDEPENDENT BID DETERMINATION (MBD 9)

1. This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
2. Section 4(1)(b) (iii) of the Competition Act, 1998 (Act No. 89 of 1998), as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38(1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - 3.1 Take all reasonable steps to prevent such abuse;
 - 3.2 Reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - 3.3 Cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:
 - ¹ Includes price quotations, advertised competitive bids, limited bids and proposals.
 - ² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and/or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
